

## OB-GYN

Natera is committed to supporting you before, during, and after your screen

### Education resources

- **Natera Women's Health Patient Education Hub:** [natera.com/patient-edu](http://natera.com/patient-edu)

### Genetic information sessions

Natera offers complimentary 15 minute information sessions with our board-certified genetic counselors. These appointments are for informational purposes only and are available whether you have questions prior to taking the test, or if you've had any of Natera's screening tests and have questions regarding your results. Appointments are available in English and Spanish. For an in-depth genetic counseling session, please work with your provider for a local referral.

To schedule an appointment, please visit [my.natera.com/services/genetic\\_information](http://my.natera.com/services/genetic_information) OR text **SESSION** to **484848**. You can also schedule an appointment by calling **844.778.4700**.

### Phlebotomy services

Natera has arranged phlebotomy options for you to provide a test sample. To use this service, your physician will provide you with a kit and completed order form to bring to your lab appointment. You have the option of visiting a nearby screening location or having a phlebotomist come to you.

1. **Mobile phlebotomy service:** We can send a phlebotomist to your office or home. They will draw your blood and ship it to Natera's labs for testing. To request an appointment with a traveling phlebotomist, simply text **DRAW** to **484848** OR please visit [my.natera.com/services/request\\_mobile\\_phlebotomy](http://my.natera.com/services/request_mobile_phlebotomy)
2. **Nearby screening locations:** If you would prefer to visit a screening location, you can go online to [my.natera.com/services/blood\\_draw](http://my.natera.com/services/blood_draw)

**If you have any questions about our phlebotomy services please call 844.778.4700.**

- Please remember:**
- **Bring your screening kit and completed order form**
  - **Call the screening location before visiting to determine if the location accepts walk-ins, or if you need to make an appointment**
